Menomonee Falls, WI - For almost fifteen years, Rinse Ace® Indoor/Outdoor Pet Sprayer has allowed pets to be bathed with warm water in sinks, plus added flexibility for pet caregivers to bathe their pets outdoors. Idea Factory, Inc. has introduced Rinse Ace® 3-Way Pet Faucet Sprayer, to further enhance this at-home pet bathing experience.

The improved 3-setting sprayer delivers a full body spray for rinsing a pet fast; a concentrated spray for targeting water flow to deep-clean or avoid delicate areas; and a massaging spray for a pampering effect. The lightweight, ergonomic sprayer also features an easy-glide lever which allows you to select the water flow level from pause to light to full with one finger. The eight foot hose easily rinses hard-to-reach paws and belly.

How it Works:

Twist the patented RINSE ACE® aerator onto an existing faucet just one time. No plumber is required. The RINSE ACE® aerator does not affect your faucet's every day use. When ready to bathe your pet, attach the eight foot hose to the aerator with just a quick push and slight turn of the wrist. Water flows only from the sprayer when the lever is moved. After pet bathing, detach the hose and store it away. By twisting off the aerator quick-connect from the hose end, the Rinse Ace® 3-Way Pet Faucet Sprayer can also be used on an outdoor spigot or garden hose.

Rinse Ace® 3-Way Pet Faucet Sprayer is available at Drs. Foster & Smith, Petco, PetSmart and Pet Supplies "Plus" for under \$30. You can also purchase online from the manufacturer at www.rinseace.com or by phone at 1-800-867-4673 and 1-262-703-0011.

Idea Factory, Inc. was started in 1994 by husband/wife team, John and Patty Mueller. Patty will tell you John is the "idea" guy and John will admit Patty "makes it happen" (the "factory"). Garrett Butrym, Vice President - Sales & New Business Development joined the Muellers in 2001. Others have arrived over the years that have stuck with them ... that's to say, John is no longer the only guy with ideas and Patty has lots of help now. Without their dedication, Idea Factory wouldn't be what it is today!
