DESCRIPTION: My Own Shower® Children's Showerhead is designed for a child's comfort and safety. Attach the enclosed Rinse Ace® Shower Connector one-time on your existing showerhead, then snap on the 3' hose with children's showerhead at bath time. Position the children's showerhead with suction cups and water gently flows only at the child's height. The softer, smaller spray minimizes water and suds from getting in the child's eyes. Disconnect the hose for the "adult" showerhead to have water flow.

DETAILS: Each package includes one Rinse Ace® Shower Connector, 3' hose with child-size showerhead and Teflon® tape.

- Rinse Ace® Shower Connector installs one-time on your existing showerhead
- 3' hose quick-connects to Rinse Ace® Shower Connector only at bath time
- Children's showerhead delivers a softer, smaller spray
- Hose quick-disconnects and water automatically flows back through your "adult" showerhead

AVAILABILITY: The Rinse Ace® My Own Shower® Showerhead is available in the showerhead department at Ace Hardware, Fred Meyer, Lowes, Menards, The Home Depot, and others, in addition to www.amazon.com, www.homedepot.com, www.lowes.com and others.

Idea Factory, Inc. was started in 1994 by husband/wife team, John and Patty Mueller. Patty will tell you John is the "idea" guy and John will admit Patty "makes it happen" (the "factory"). Garrett Butrym, Vice President - Sales & New Business Development joined the Muellers in 2001. Others have arrived over the years that have stuck with them ... that's to say, John is no longer the only guy with ideas and Patty has lots of help now. Without their dedication, Idea Factory wouldn't be what it is today!
